Shun Tak Holdings Won IR Manager of the Year in Conglomerates At IAIR Awards 2016

(14 March, 2016 – Hong Kong and Macau) Shun Tak Holdings Limited was proudly conferred with the IR Manager of the Year in Conglomerates title at the 6th Annual Edition of IAIR Awards, recognizing the company's commitment to excellence in investor relations practices, and the team's remarkable effort in maintaining responsible and responsive communications with the market which are highly valued by investors. Winners of the Awards are determined by a combination of votes gathered from 50,000 readers of IAIR (International Alternative Investment Review), IAIR's network of respected industry partners and IAIR's own rigorous in-house research.

Ms. Catherine Szeto, Director of Investor Relations of Shun Tak Holdings Limited, said, "The Award not only demonstrates our team's dedication, but also bears solid testimony to our disciplined approach in establishing a credible system over the past 10 years with the support of our senior management. We are fortunate that our senior management is extremely supportive to suggestions, and is steadfast to work with us in raising the bar of our IR practice, allowing us to become one of the forerunners in Asia. In this dynamic and forward-thinking company, our IR team is blessed to have the remarkable opportunity to bring the most exciting news to the market and translate them into real tangible values for our investors."

The IAIR Awards is organized by IAIR, a globally distributed financial magazine, and its publisher Editrice Le Fonti, a 10-year research institute and a global independent publishing house headquartered in Milan. The Awards is focused on Global Economy and Sustainability and in particular in the following categories: Green Economy, Alternative Investments, Business Opportunities, Global Corporate Excellences, FX, ETFs and Commodities, Law, Asset Management, Family Office and Wealth Management, Philanthropy, Private Equity, Real Estate and Property, Succession Planning and Family Businesses.
